PHILLIPS WINTERFEST

January 23 - January 25

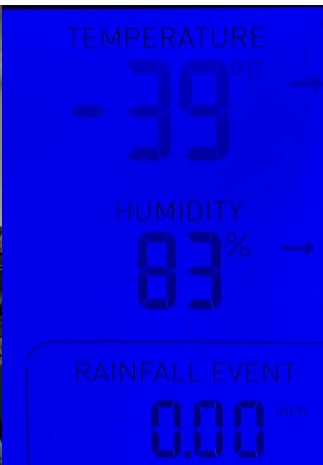

WinterFest 2026 proved one thing, Phillips doesn't back down from a challenge.

With temperatures plunging to -39 degrees, this year's event was one for the record books.

While the extreme cold forced the cancellation of the ice fishing tournament, nearly 200 anglers still registered and were entered into prize drawings totaling almost \$4,000.

The rest of the weekend carried on, with a strong turnout for the candlelight walk, kids activities, and a packed Elk Lake Park for the bonfire and fireworks.

Cold or not, the community showed up. A big thank you to our volunteers, sponsors, and everyone who made the most of a very cold but memorable WinterFest.
